Another Year of Camp !

Another Year of Camp is On the Books!

The board would like to extend our heartfelt thanks to each and every one of you for being part of this year's camp experience. Your enthusiasm, energy, and positive spirit helped create a truly memorable week filled with learning, laughter, and friendship. Whether you were trying something new, encouraging a fellow camper, volunteering your time, or simply showing up with a great attitude each day, you contributed to making our camp community a special place.

A sincere thank you also goes out to our families, volunteers, and staff members. Your support, dedication, and trust make everything we do possible. The countless hours spent planning activities, ensuring safety, providing encouragement, and creating meaningful experiences do not go unnoticed. We are grateful for the opportunity to spend this time together and are proud of the friendships, accomplishments, and memories that were made. We hope you leave camp with lasting connections and stories to share, and we look forward to welcoming you back again in the future. Thank you for making this camp season such a tremendous success! We wish you all the best until we meet again.

Trollhaugen Memorial 2026

Each year, we come together to celebrate Scandinavian culture, traditions, heritage, and community. We share stories, laughter, songs, crafts, meals, and memories. We honor the customs that connect us to our past and to one another. At camp this year we gathered to recognize those we have lost.

We paused to remember the campers, volunteers, leaders, and friends of Trollhaugen who are no longer with us, but whose presence remains woven into the fabric of this camp.

Trollhaugen is much more than a place. It is a community built over generations by people who gave of their time, talents, energy, and hearts. Many of those we remember helped build traditions that continue to shape the experience of every camper who comes to camp. Some taught us Scandinavian crafts and folk traditions. Some led activities, prepared meals, organized events, or simply offered a kind word and welcoming smile or attended as campers.

Their contributions may have seemed small in the moment, but together they created something extraordinary.

NORWAY IN THE NEWS

Honoring King Harald V

Norway recently bade a final farewell to its beloved monarch, King Harald V, who passed away peacefully at age 89 after a historic 35-year reign. As Europe's oldest living monarch, Harald was deeply cherished as a unifying "grandfather of the nation" who led with humility, warmth, and a famously down-to-earth touch. He famously modernized the royal house, championing diversity, tolerance, and democratic values throughout his life. While the nation deeply mourns his monumental loss, a new chapter begins as his son succeeds him to the throne as King Haakon VIII, continuing a legacy dedicated to service.

Remembering Princess Astrid

Just days after the state funeral of her brother, King Harald V, Norway is also mourning the passing of Princess Astrid, who died at the age of 94. The eldest daughter of King Olav V, Princess Astrid served as Norway's de facto First Lady for many years following her mother's early death, steadfastly supporting her father during a transformative era. Throughout her long life, she represented the Royal House with remarkable warmth, dedication, and institutional duty. Her quiet resilience and lifelong devotion to public service leave a lasting footprint on modern Norwegian history.
